Dear Mrs. Belcher

I was informed at the County Court House in Heber that the up-coming election polling place would be your residence. In connection with the election being held for some county, State and national figures seeking support for office will be some (yet to be named) for the office of School Board Member. As Clerk of the Board of Education in this county it is my responsibility to post, or to have posted, a notice of the election.

I will enclose a couple of dollars to pay you for your trouble in displaying this poster (which I will attach) in some prominent place in Soldier Summit. I would be grateful if you would do this little chore for me and save me a trip from Heber.

If, in fact, I am wrong in assuming your residence is the polling place and you know what or where the place is would you scratch your name and insert the correct place?

The County Clerk has the responsibility of paying you for the use of your facility after the election.

Sincerely yours,

Ralph F. Giles

Ralph F. Giles, Clerk-Treasurer.
